

# Genomics Education Programme

## 100,000 Genomes Project Eligibility wheels A tool for clinicians

### Cancer

Samples **MUST** be taken before treatment

Samples may be taken from the primary lesion at first diagnosis (or from a metastasis if sampling is problematic)  
If the first sample is successful (sufficient tumour and DNA available) further samples from reoccurrences may be included

Professor Julian Barwell  
Dr Corrina Powell  
Helen Harrison
