

A competency framework for communicating genomic results

The following healthcare professionals took part in one or more meetings between 2019-2021 to support the development of this framework:

Name	Representing organisation	Role
Aimee Potter	North East and North Cumbria Familial Hypercholesterolaemia Service	Familial hypercholesterolaemia nurse specialist
Angela Cazeaux	University Hospitals Southampton NHS Foundation Trust	British Heart Foundation specialist nurse in familial hypercholesterolaemia
Carol Hardy	Birmingham Women's and Children's NHS Foundation Trust	Clinical scientist
Charis Browne	Royal Brompton & Harefield NHS Foundation Trust	Familial hypercholesterolaemia nurse specialist
Charlotte Jaggard	All Wales Medical Genetics Service	Genetic counsellor
Dr Christine Patch	Genomics England	Clinical lead for genetic counselling
Dr Dragana Josifova	Guy's and St Thomas' NHS Foundation Trust	Consultant in clinical genetics
Dr Ellen Thomas	Genomics England	Clinical lead for NHS genomic medicine
Dr Emma Baple	South West Genomic Laboratory Hub	Medical lead for rare disease
Dr Emma Clement	North Thames Clinical Genetics Service	Consultant in clinical genetics
Esther Horton	Nottingham Clinical Genetics Service	Genetic counsellor
Fleur Sheldrake	Cambridge University Hospitals NHS Foundation Trust	Lead midwife in fetal medicine
Dr Frances Elmslie	Clinical Genetics Society	President
Dr Francesca Faravelli	Great Ormond Street Hospital for Children NHS Foundation Trust	Consultant in clinical genetics
Dr Francesca Forzano	Guy's and St Thomas' NHS Foundation Trust	Consultant in clinical genetics
Dr Gemma Chandratillake	East Genomics Laboratory Hub	Education and training lead
Helen Dolling	NIHR BioResource	Research coordinator
Dr Helen Grote	Imperial College Healthcare NHS Trust	Consultant neurologist
Dr Helen Stewart	Oxford Regional Genetics Service	Consultant in clinical genetics
Dr James Ware	Imperial College Healthcare NHS Trust	Reader in genomic medicine and honorary consultant cardiologist
Jennie Bell	West Midlands Regional Genetics Laboratory	Deputy director/consultant clinical scientist
Jennifer Wiggins	The Royal Marsden NHS Foundation Trust	Senior genetic counsellor

Joana Gomes	North of Scotland Clinical Genetics Service	Genetic counsellor
Dr Judith Hayward	Royal College of General Practitioners	General practitioner
Dr Julia Baptista	Exeter Genomic Laboratory	Principal clinical scientist
Professor Kate Tatton-Brown	Academy of Medical Royal Colleges	Consultant in clinical genetics
Kelly Kohut	St George's Clinical Genetics Service	Lead genetic counsellor
Dr Lara Menzies	North Thames Clinical Genetics Service	Specialist registrar in clinical genetics
Dr Lorraine Cowley	Northern Genetics Service	Principal genetic counsellor
Dr Matilda Bradford	Peninsula Clinical Genetics Service	Principal genetic counsellor
Dr Nicola Cooper	West Midlands Regional Genetics Service	Consultant in clinical genetics
Dr Nicola Taverner	Association for Genetic Nurses and Counsellors	Chair
Pooja Dasani	Genetics Service, Guy's and St Thomas' NHS Foundation Trust	Principal genetic counsellor
Dr Richard Scott	Genomics England	Clinical director
Rose Jarvis	Academy of Medical Royal Colleges	Policy lead
Samantha Boland	Oxford Regional Genetics Service	STP genomic counselling trainee
Dr Serene Lin	University of Exeter Medical School	Ophthalmology registrar
Professor Sian Ellard	South West Genomic Laboratory Hub	Scientific director
Dr Simon Ramsden	Association for Clinical Genomic Science	Chair
Professor Sue Clark	St Mark's Hospital Polyposis Registry	Consultant colorectal surgeon
Sue Dewhirst	Public Health England	Population health services manager
Dr Thalia Antoniadi	Birmingham Women's and Children's NHS Foundation Trust	Consultant clinical scientist
Thomas Cullup	Great Ormond Street Hospital for Children NHS Foundation Trust	Clinical scientist
Tootie Bueser	Guy's and St Thomas' NHS Foundation Trust	Cardiac genetic nurse
Tracie Miles	Royal United Hospital Bath NHS Foundation Trust	Gynae-oncology clinical nurse specialist
Dr Una Sheerin	Guy's and St Thomas' NHS Foundation Trust	Consultant neurologist
Victoria Cuthill	St Mark's Hospital Polyposis Registry	Lead nurse
